

Immunization Requirements for DoDEA Schools

DoD Directive 1342.6/DoDEA Instruction 6205.1 states that PRIOR to enrollment in DoDEA schools, students shall meet specific immunization requirements.

The following immunizations are required to be completed prior to enrollment in DoDEA schools:

Diphtheria/Tetanus/Pertussis: 4 doses with one after fourth birthday

Tdap (tetanus/diphtheria/pertussis-booster): 1 dose at age 11 or older

Hepatitis B: 3 doses

Hepatitis A: 2 doses

Haemophilus Influenza type B: 4 doses

Measles/Mumps/Rubella: 2 doses

Polio Vaccine: 4 doses

Varicella (Chicken Pox): 2 doses or reliable history of disease

Meningococcal Conjugate Vaccine: 1 dose at age 11 or older

Tuberculosis Testing: The frequency of PPD (TB) testing is directed by the local medical command.
